

My Word!
Nancy Spence

EVER SINCE I returned from Montana, after explaining I had been gone, I've been asked what happened to the column. I wouldn't write it from here? It shouldn't have reached Albany by now.

ACTUALLY, you can't get here from here. Train, bus and service ends about 60 miles away. Took Western to Denver and Frontier airlines the rest of the way. After Minot, N.D., the line diminished to a small prop plane that wasn't pressurized, had no stewardesses and bunny-hopped from one small town to another. By the time we were up enough to clear the small clouds, we were on our way down. It was terrible for ears and disorientation.

THE PEOPLE in charge of our reunion knew their business. Both the dinner and the party that followed were in dim light. There were name tags, and everyone was almost a caricature of the fellow graduate. We all wore up bravely and after it was over, one of the ladies who served food said she hoped God would forgive all the lying that went on for two days. The lies included, "You haven't changed!" "I have known you anywhere!" etc. Mother always said it was a white lie when you said something that wasn't true to spare someone's feelings. We all "white lied" through the reunion. Didn't win the distance prize because one boy in our class is now in Los Angeles as a big shot in the Apollo program.

THE RETURN TRIP I recommend to everyone with nostalgia best trains. The 23 hours from Salt Lake City, Mont., to Seattle was sheer delight. It's now operated as Amtrak, a combination of Great Northern, Burlington and Northern Pacific and run by the government. We rode through Glacier Park where the spectacular scenery is best viewed through the Vista Domes. Dinner in the dining car is as elegant as it used to be and the "railroad baked potatoes" are as big and tasty as ever. Just take the kids on it some day. Seattle home was via the friendly Skies of United.

A FEW CHANGES around Albany: right below the blue mill at the Blue Mill on Solano is a "Chinese Palace" so the "blue obviously" have given up on the Chinese, restaurant-wise. Understand Will Voogd, owner of the Blue Mill, went to Holland, has married and isn't coming back.

Read some gripes about Solano Avenue Beautification and think the gripes should wait and see what it looks like when it's finished. Top planners planned it and property owners along the Avenue are paying for it, so be patient.

The school tax is up 25 cents, but the City Council was sup-

Tax Rate Down 14¢

'71-'72 Fiscal Budget Approved at \$1,837,980

In the earliest submission in years, the Albany City Council ushered in the budget for the 1971-72 fiscal year in the amount of \$1,837,980.

The budget, passed unanimously, shows a five percent hike over last year's budget, but due to the recently approved 4½ percent Utility User's Tax, the tax rate per \$100 of assessed valuation is \$1.74, down 14 cents from last year's mark of \$1.88. The Utility User's Tax is expected to bring in \$98,000 this year, only ½ the amount in future periods, according to City Administrator James Turner.

Turner noted in his budget message, "The total increase in pension costs for the City, 85 percent of last year's rate, constitutes the most significant change in the budget before you." The pension increase was due to the Charter Amendment passed in November, 1970. This amendment hiked pension costs for both the City and employees from six to nine percent of payroll. Also imminent in Pension Fund increase is the recent court ruling labeled the "Newhouse Decision," which states the Police and Fire pension program must be administered on the basis of fluctuating salaries. Cost of this ruling will be \$98,000 compared to normal pension costs of only \$81,000. Total Pension Fund budget is \$230,940.

Bulk of the budget goes into the General Fund at the amount of \$1,364,409, a two percent increase over last year. The Parks and Recreation budget is down approximately 1½ percent from last year in the amount of \$163,000. The new budget called for \$39,340 in expenditures for the Building Fund.

Civic Theatre Opens Doors In El Cerrito

The premiere of "Play It Again, Sam" culminates almost two years of COCT effort to establish a permanent home for the performing arts in El Cerrito. The effort has resulted in a fund raising drive of \$30,000 and over four months (3,000 hours) of volunteer labor to complete the new theatre building.

Louis Flynn directs "Play It Again, Sam" and plays the role of the would-be lady killer, Allan Felix. Featured in the cast are: Dorothea Fites, Louis Capeluto, Larry Jasper, Donna Jasper, Lorene Baum and Kathleen Flynn. The farce will run every Friday and Saturday through August. Slated for the balance of COCT's 12th consecutive season are: "Plaza Suite," "Don't Drink the Water," "Cactus Flower," and "Mister Roberts." Reservations: 235-0785

Reception Honors Guillermo Malqui, Exchange Student, and Family

Guillermo Malqui, Albany's American Field Service Exchange student from Lima, Peru, was honored recently with his American family, the E. C. van Eckhards, at a reception at the Jack Murrow home, No. 4 Carmel Avenue, El Cerrito.

The van Eckhardt family includes mother and father, Betty and Chrys; brother Michael and sister Chrysti, who attend Albany High School; and brothers Larry and Peter who attend Marin School. The past 10 months have been a sharing of many warm family experiences.

Beginning in August with a vacation at the family summer home near Mount Lassen, Guillermo's first introduction to the out-of-doors in California. Then home to Albany to be a senior at Albany High School. Like many Albany families the van Eckhards are active in Albany High School sports, band, orchestra, as well as activities in Boy Scouts and Cubs, Little League, etc., giving "Guille" a broad view of the Albany Community and an active family.

This spring several community families shared family experiences; a weekend in the Carmel area with the Eldon Wolfs and son Dana, catching a glimpse of the extremely beautiful U.C. campus at Santa Cruz, Carmel and the surrounding valley are spending an impromptu sleeping bag night at the Carmel home of Eldon's cousin and hearing seeing with eldes, of her work with families in the remote villages of Mexico. Another view of how differently each of us may share in an international experience. Meeting her neighbors from Uruguay was a special surprise.

Other families blazed a trail to snow country at Pinecrest where "Guille" and brother Larry joined the William Woolworths, skiing for the first time, followed by a tour of the gold country and some of California's colorful history. The J. A. Bachman family spent a weekend vacation at their South Lake Tahoe home bringing another beautiful area California into view.

Ken Logan, himself a former exchange student, spent time Easter week showing "Guille" the Berkeley campus of U.C.

The community support for each "family" gives the student varying views of the life style of different families and a chance to see a little of this beautiful state. How America lives is a valuable and memorable part of the A.F.S. student during his school, as well as the opportunity to learn of the student ideas, family life styles and culture.

Albany Doctors In Academy

Dr. John A. Richardson and Dr. William J. Koser, both of Albany, have been re-elected to active membership in the American Academy of General Practice, the national association of family doctors.

Re-election signifies that the physician has successfully completed 150 hours of accredited postgraduate medical study in the last three years. Members become eligible for re-election at the end of the third year following their election to membership.

The Academy, the country's second largest national medical association, is the only national medical group that requires members to keep up with medical progress through continuing education.

The Academy, founded in 1947 and headquartered in Kansas City, Mo., has been instrumental in the establishment of a new primary medical specialty in family practice. The new specialty is expected to increase the numbers of family physicians available to serve the public in the future. The Academy's post-graduate education program is the foundation of eligibility for family doctors now in practice who apply for certification in the new specialty.

Note of Thanks

We were so very grateful to the Albany Police and especially to the Albany Fire Department Rescue Squad, for their prompt and courteous help in our recent emergency on July 7, 1971.

Alcoholic Treatment Expansion Program at Albany Hospital

Victor Stallone, Jr., M.D., has recently returned from the University of Utah where has been enrolled in an intensive course in the treatment of the alcoholic. Upon his return, Dr. Stallone announced that Albany Hospital, of which he is a staff member, is inaugurating an Acute Alcoholic Detoxification Service.

Alcoholism has finally come out of the closet and is being recognized as the disease that it is. "Facilities for treatment of alcoholics are in short supply in the area and there is a great need," Dr. Stallone said.

While drugs, hard and soft, hold the spotlight these days, the insidious disease of alcoholism continues to affect one out of 20 California families.

Often thought of as a "skid road" malady, actually the effect on middle class America—urban, suburban and rural—is appalling. It crosses all religious lines, both sexes and all industry.

The youth of today are no more immune than their elders, and indeed are possibly more susceptible; as the novelty of drugs wears off alcohol comes back in force to the high school and college campuses.

Along with the Acute Detoxification Service, Albany Hospital is prepared to give counseling to those who desire it. By working with the various community agencies and services, including Alcoholics Anonymous, it is hoped that the patient will be encouraged to make use of the many rehabilitation opportunities open to him.

Passports at Berkeley P.O.

Post Office officials have announced that travelers may apply for passports at the Main Office, Window 7, of the Berkeley Post Office. Applications for passports will be available at all stations and branches of the Berkeley and Albany Post Offices, but only the Main Office will accept completed applications. Hours of service will be Monday through Friday, 8 a.m. to 5 p.m. Applicants for passports need not be residents of Berkeley.

President Nixon signed legislation permitting the Postal Service to process passport applications for the State Department. After a test program begun last July in Detroit, Mich., Houston and Midland, Texas, and eight cities in Connecticut proved successful, the State Department decided to add 63 cities in California, New York, Minnesota and Massachusetts.

Motorcycle Owners Can Aid Ecology Cause

Motorcycle owners can do their bit for California's ecology by ordering personalized license plates for their two-wheelers, Department of Motor Vehicles Manager June R. Perkins at Oakland, has announced.

"The law, which specifies passenger vehicle, has been interpreted to include motorcycles," she declared, "and the Correctional Industries plant is able to turn out the smaller license plates just as handily as the larger ones. Orders are being taken. Motorcycles are, of course, equipped with only one 7x4 plate displayed at the rear."

Miss Perkins added that pickup trucks which don't carry commercial loads are eligible for passenger plates, and they, too, qualify for customized license plates, bearing the owner's choice of letters, or letters and numbers.

The same rules apply as for

regular passenger vehicle plates, she added: The vehicle owner selects from two to six letters and numbers which don't form a misleading or indecent expression, aren't in conflict with established license plate series, and don't duplicate unique combinations already assigned to others.

A \$25 fee is charged, and \$10 a year is added to the registration fee. All the money after costs goes to help ecology—the bulk of it to combat air pollution.

The personalized license plate (PLP) program continues to average 200 orders a day and has topped the 33,000 point in plates requested. Some \$350,000 after expenses has been deposited in the Environment Protection Fund.

Money from the fund is now going to three distinct programs: Coordination of the smog control efforts of the state's several

Dutch Studies on Berkeley Campus

The University of California's Berkeley campus will become the major center for Dutch literary studies in the United States this fall with the establishment of the Princess Beatrix Chair of Dutch Language, Literature, and Culture.

The first scholar to hold this post will be Johan P. Snapper, now assistant professor in the Department of German.

The Government of the Netherlands, which describes the planned curriculum as "the most extensive program in Dutch in the United States," is sharing the expenses for it with the university.

Eight upper division courses Dutch will be offered in the fall. Snapper anticipates an incoming student major will be possible in two years, and graduate courses will be given in three years. "This is part of expansion of Germanic language study everywhere," Snapper said.

Ginger Volheim Wed

Mr. and Mrs. W. W. Kroncke (Virginia Volheim) —Dorothy Larimer Photo.

Lovely rites at Northbrae Community Church July 3 united in marriage Virginia Ann (Ginger) Volheim, daughter of Mr. and Mrs. Rex C. Volheim of Albany, and William Wendell (Bill) Kroncke, son of Mr. and Mrs. William A. Kroncke of Santa Rosa.

The Rev. Craig Jessup officiated at the double ring ceremony in the presence of more than 350 guests.

Given in marriage by her father, Ginger was beautiful in a long ivory silk organza gown with empire bodice designed with scalloped neckline and dropped three-quarter sleeves of Alencon lace and clustered pearls. Her graceful, softly flared skirt and chapel length train were lavishly appliqued with lace and pearls. Her elbow-length veil fell from a camelot cap of Alencon lace embroidered with seed pearls. Ginger carried her mother's prayer book covered with lace, topped with an arrangement of baby pink and white carnations and bouvardia, centered with a white orchid. The flowers are those of Bill's and Ginger's fraternity and sorority.

Mrs. Brian Nesman of Torrance was matron of honor. Bridesmaids included Mrs. Dean Volheim of Hamilton Air Force Base; Mrs. Win Richey, Davis; Mrs. Ken Williams, Redwood City; Miss Helene Wise, Arcadia, and Miss Susie Lester of Alameda. They were matching green floor-length gowns with mandarin necklines and empire styling with picture hats of matching green tulle. The matron of honor carried a basket of pink and red roses. Others carried baskets of multicolored bright summer flowers with matching streamers.

The bride's mother selected a two piece silk and wool suit of pale ice blue with double breast- ed design studded with rhinestone buttons. She wore matching small hat and veil and carried white accessories. Her corsage was a matching cymbidium orchid.
Mrs. Kroncke wore a pale pink sheath with long sleeves and modified empire waistline with bone gloves and bag and a wisp of a nose veil caught with tiny pink rosebuds. Her cymbium also matched her dress.
Mark S. Kroncke was his brother's best man. Ushers were Capt. Dean Volheim of Hamilton AFB; Mike Peters, Santa Rosa; Mike Read, San Francisco; Ron Winkler, Berkeley, and Gordon Smith, San Francisco.
A reception followed at the Berkeley Elks Club. Following the reception, they took a plane to Georgia and will travel around the United States before making their first home in San Diego.
Ginger is an Albany High School and UC Berkeley graduate with a major in history. She is past Grand Representative to the State of Michigan for International Order of Rainbow for Girls; past president of NROTC Little Sisters group (Aigillettes), past rush chairman and vice president of her sorority, Phi Mu. She plans to continue her education for her elementary teaching credential at San Diego State, beginning in January.
Bill, a graduate of Lowell High School in San Francisco, attended UC Berkeley, where he received his BS degree in business administration, following attendance at UC Davis. He was a member of Delta Sigma Phi fraternity, where he met Ginger when she was the fraternity's Little Sister. He finished Navy OCS at Newport, R.I., in December and was commissioned as an ensign at that time. He recently completed Naval Supply School in Athens, Ga., and will report for his first assignment on board the USS Gurke stationed in San Diego.

My Word...

(Continued from Page 1)
posed to have decreased the city property taxes 14 cents Monday night. At least part of the reason is the utility users' tax.

CERTAINLY HAPPY the Fire Department turned in this item: The last few months seem to be the time of the ring. Not the fire bells type of ring but those recognizing 20 years of service. Recently so honored were Capt. Bill Lantof, Fireman Nestor Mestas and Fireman Richard Courtney. Bapt. Ray Gonzales will receive his soon.

The Fire Department at home is strictly volunteer and rather primitive. A week ago Sunday the whistle sounded and sold citizens came running from almost every house in town. The fire station doors opened and out wheezed an old red panel truck with some hose on it. The men reached the scene of the fire, which was an automobile, on foot before the truck. There was much activity as they unrolled the hose and prepared their onslaught on the flames, which were obvious along with much smoke. As everyone peaked for action, they turned on the water. It seemed minutes before water appeared in a thin stream, landing about two feet in front of the nozzle—at least 12 feet away from the blazing car. The people I went with were encouraged, however. They said they used to have to push the old fire truck to the scene of a blaze. I can't remember one building that ever caught fire that didn't burn to the ground.

ALBANY AMERICAN LEIGION post 292 came home from Los Angeles with a beautiful trophy for being the top color guard in the state department. LeRoy Holland accepted the trophy as drill master. The team carried the National Flag, the State Flag, the City of Albany Flag and the post banner.

WALT HOLLAND, who has been unwell, is back writing items for the post again. He wants you to know that Alvin (Hap) Willis will be chairman of Frank Knapp Night again this Armistice Day, but he didn't say whether it would be on the Monday, Oct. 25, when the BIG PARADE is held here, or on Nov. 11.
BERNICE BOYD was honored at a luncheon Monday at Serb's on her 25th anniversary with Security Savings. About 100 attended.
A REMINDER from Clark Armstrong, chairman of Albany Rotary Club's Job Search for Albany High students. If you can use a young person to help you, call 525-2261, 9 a.m. to noon weekdays.

THE LATE Mayor and Councilman Joe Egenberger used to stop in to visit Bill and Mary Culley. He loved it when Mary served tea in an unusual tea pot. The Culleys always thought of Joe whenever they used that tea pot. The other day it cracked about 25 different ways. There is no hope of mending it, but they lovingly put it on a shelf instead of throwing it away. "That would have been like saying goodbye to Joe all over again," Mary said. (Joe would have loved this item.)

YOU'LL HAVE to wait for picture coverage, but Shakey's Pizza Parlor had its grand opening Sunday at what used to be Dagna's Market. Highlight of the party was a pizza-making contest among Mayor Red Call, Joe Dagna, and Hal Denham and Ralph Hill of the Chamber of Commerce. Ralph produced an albino pizza. He forgot the tomato sauce. Guess they decided all contestants were equally capable, but it was good fun watching them attempt the steps in producing one. The new eating spot will be open from 11 a.m. to 2 a.m. daily, 364 days a year. They close Christmas.

Jean Dagna said she'd been having such a bad time with her left hand. Sympathetic inquiries produced her "big story." Seems she and Joe went to Vegas, went to the Bob Goulet show and Bob held her left hand and sang to her, gazing romantically into her eyes. She gets a little faint just talking about it.
Rediscovered Shakey's marvelous potatoes. They come with the Chick and Chips, are marinated, dipped in something and deep fried. Everyone was raving about them.

COMES NOW Thomas W. Young, 95, of 958 Ventura Ave., Berkeley, who writes poems. The Times has had a thing against publishing poetry, but if everyone under 90 is ruled out, Mr.

Young could still find his poems in print:
Again I hear the old cathedral chimed
That oft I heard in boyhood many times.
Their echo still in distant lands I hear
And often find upon my cheek a tear.
I watch the Eden rolling to the sea
Through fields so green, again to see.
And trees there swinging in the breeze
That oft in summertime did shelter me.
Each falling leaf brings memories back to me
Of friends who sailed across the unknown sea,
And when we saw them slowly borne away,
We knew that soon we all must pass that way.
The skylark's note falls on the quiet air
While all around are trees with blossoms fair.
For life to me was in its springtime then
And now in dreams comes whispering back again.
Again I see the castle gray and old
In fancy I can see the warriors bold,
Who fought and lost and won again as told.
These scenes again, old memories do unfold.
There in my youth I watch the sun go down
On Eden's bank and Carlisle's grim old town.
As shadows fall, I softly steal away
And see old scenes again down memory way.
Mr. Young was born in England.

THE TIGER TANK is now Go-Go

A LEGAL NEWSPAPER
Official Newspaper
of the City of Albany

and the

provement Act of 1913 and bonds provided to be issued under the Improvement Bond Act of 1915 of the State of California. 1- SECURITY: Said bonds are payable from the redemption fund provided by law which is secured by all of the unpaid assessments within the boundaries of said district. Said bonds are further secured by a limited guarantee on the part of the entity which issued said bonds. Under the provisions of the Improvement Bond Act of 1915, any real property on which the owners have failed to pay installments of assessments as they fall due is sold for delinquencies by the City in the same manner as real property is sold for delinquent taxes. It is the duty of the City of Albany to bid such property in at such tax sale. It then becomes the duty of the City to transfer to the Redemption Fund and the amount of the purchase. In the event there is not sufficient money in the General Fund to transfer this amount in to the Redemption Fund, it becomes the mandatory duty of the City to levy a tax up to 10c on each \$100.00 of assessed valuation of property within the boundaries of the City of Albany sufficient in amount to pay for the delinquencies. It becomes the continuing duty of the City, throughout the life of the bond issue, to levy such a tax and to pay for the installments upon property sold to the City for delinquencies. The maximum levy which the City is obligated to make in any one year is on each \$100.00 of assessed valuation the assessed valuation of all taxable real property in the City of Albany for the fiscal year 1971-72 is \$29,382,342.00. Ten cents on the \$100.00 would therefore raise, in the City of Albany, the sum of \$29,382.34, which is more than sufficient to cover the maximum amount of principal and interest accruing in any one year of the bond issue if a ten cent (10c) levy should be necessary. 1- LEGAL OPINION: The legal opinion of the law firm of Sturges, Den-Dulk, Douglass & Anderson, 1322 Webster Street, Oakland, California 94612, approving the validity of said bonds will be furnished to the successful bidder without charge. In the opinion of Counsel, interest on the bonds is exempt from all federal income taxes, and from State of California personal income taxes, under presently existing statutes, regulations and court decisions, and the bonds are also exempt from all California taxes except inheritance, gift and franchise taxes. 1- HIGHEST BID: Bidders are requested to name the interest rate or rates not exceeding seven per cent (7%) per annum in multiples of 1/8 or 1/20 of one per cent (1%). Each bidder must specify in his bid the amount and maturities of the bonds of each rate and all bonds maturing on the same date must bear interest at the same rate. No bid may name more than four interest rates, any of which may be repeated. No rate may be more than one and one-half per cent (1½%) higher than the lowest rate named in the bid. The interest payable on any bond on any interest payment date may, however, be represented by one or more coupons. A zero rate cannot be named for all or any of the time from the date of the bond to its stated maturity and the premium, if any, must be paid in the funds specified for payment of the bonds as part of the purchase price. No bid of less than par and accrued interest or for less than all of the bonds offered will be entertained. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the issuer, and the net interest cost will be determined by deducting the amount of any premium paid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities. 1- RIGHT OF REJECTION: The City of Albany reserves the right at its discretion to reject any and all bids and to waive any irregularity or informality in any bid. Any bid must be in strict conformity with this Official Notice Inviting Bids, and without any qualification. 1- PROMPT AWARD: The City of Albany will take action awarding the bonds or rejecting all bids not later than forty-eight (48) hours after expiration of the time herein prescribed for the receipt of proposals. 1- PROMPT DELIVERY: Delivery of the bonds will be made to the successful bidder at the office of the City Treasurer, City of Albany, 1000 San Pablo Avenue, Albany, California, as soon as the bonds can be prepared, but not earlier than the date of said bonds. Successful bidder, by making a bid, agrees to pay for and take delivery of the bonds within forty-eight (48) hours after notification by City that the bonds are ready for delivery, but bidder is not obligated to take delivery earlier than the date of the bonds. The successful bidder shall have the right at his option to cancel his offer to purchase if the bonds are not tendered for delivery within 45 days from the date of the bonds. 1- FORM OF BID: All bids must be for not less than all of the bonds herein offered for sale. Each bid, together with bidder's check or cashier's check for \$1,000.00 drawn on a bank or trust company transacting business in the State of California, payable to the order of the City of Albany to secure the City of Albany from any loss resulting from the failure of the bidder to comply with the terms of his bid. Check of the unsuccessful bidders will be returned by mail up to the award of the bonds. The terms of such credit to be acceptable to the executor and the above-entitled Court; 10% of the amount bid to accompany the offer and the balance to be paid upon confirmation of sale by the Superior Court Taxes, rents, operating and maintenance expenses, and premiums on insurance acceptable to the purchaser shall be prorated as of the date of recording of conveyance. Underkoffer-Cox

Mr. and Mrs. Stephen Cox

Married in May at Northbrae Community Church, were Julie Angel Underkoffer and Stephen Alan Cox, both of Albany.

Julie wore a gown designed for her by B. Young, of organza over satin with a brush train and a wide border of lace down the front carried through to the sleeves. The gown's empire body had a touch of pink ribbon under front bodice. The bride's veil had four types of white flowers with pink bows. Pink ribbon and flowers went into the design of the bridesmaids to coordinate the party.

Julie lived with her parents, Mr. and Mrs. Aaron Underkoffer, at 845 Washington Ave., Albany. She is a graduate of Albany High School and Diablo Valley College, and now works as a medical secretary in San Pablo.

Stephen lived with his mother, Mrs. Melvin Cox, at 913 Taylor St. in Albany and is a graduate of Albany High School. He now works as a pressman for the Gazette Press in Berkeley.

Mrs. Peter Jepsen was the matron of honor and Elizabeth Cox, the groom's sister, was the bridesmaid. Both wore gowns of pink chiffon with navy blue crepe skirts. The bride carried white carnations with pink baby rosebuds. Her mother had white

orchids and wore a silk shantung blue dress trimmed with pearls and matching accessories. Mrs. Cox wore a silk rose colored suit and matching accessories.

Best man at ceremony was Chuck Byars and the usher was Jim Converse.

The reception was held at the bride's home on Washington St. After their honeymoon at Roy Rogers' Dude Ranch and Palm Springs, the couple now resides in San Pablo.

Film in Church

On Sunday, July 25, St. Mark's Church School, Bancroft Way at Ellsworth, will present, as part of their summer program, an animated sound film during the 10 a.m. service.

All the drawings, featuring the story of Joseph, were drawn by children ages 5-12. Visitors to Berkeley should also enjoy hearing the sermon at the 10 a.m. service by the Rev. Dr. Ralph L. Moellering, guest preacher, who has been pastor for special ministries in Berkeley since 1967.

Al Ashford continues the instrumental music sessions, following the service for junior and high school students. All are invited to participate.

Most Dangerous Day

Back in "ye olden times" when most of us worked six days a week and raced around the highways in our Model T Fords on Sundays, that day became the most dangerous for drivers. More people were banded and battered by automobiles on Sunday than on any other day of the week.

Times, however, have changed. Now most of us work five days a week and do our racing around on Saturday. Consequently, according to the National Automobile Club, Saturday is now the most dangerous driving day.

Cautious motorists will be interested to learn that Tuesday is now the safest day of the week to go from Here to There on our streamlined highways.
